EXPERIENCE

Interview Producer

Al Jazeera Media Network

Doha, Qatar

New York, NY

September 2015 - Present

June 2013 - June 2014

- Produced more than 100 episodes of Inside Story, a daily 30-minute current affairs discussion program
- Created signature content for Newsgrid, an interactive social media news show that broadcasts live on Facebook, YouTube and on Al Jazeera English
- Chosen from an applicant pool of more than 20,000 to help launch the American edition of Al Jazeera
- Helped produce Al Jazeera America's first live broadcast and oversaw the network's first live guest segments
- Served as lead interview producer for Al Jazeera America's Sunday primetime segment the Week Ahead

News Researcher/Producer

Last Week Tonight with John Oliver

New York, NY

January 2015 - June 2015

- Served as lead researcher for an interview with Edward Snowden and helped produce a companion segment on government surveillance, which received more than 17 million views on YouTube
- Produced a segment on paid maternity leave that was cited by the Economist Magazine

Editorial Intern/Reporter

TIME Magazine

London, UK

September 2012 - December 2012

- Wrote 37 articles for the World and Newsfeed verticals at one of the most widely read publications in the world
- Maintained TIME's Twitter account and crafted Tweets for an audience of over 4.4 million subscribers

Project Coordinator/Faculty Assistant

Harvard Kennedy School of Government

Cambridge, MA

October 2008 - October 2011

- Created and directed an online video interview series on foreign policy with the project's distinguished guests

Correspondent/News Clerk

The Boston Globe

Boston, MA

June 2006 - January 2007
